GUETTAWAY

A DIAMOND CLUB PRODUCTION

2 WORLD-CLASS RESORTS — 1 INCREDIBLE GUETTAWAY.

For nearly a decade, the Bordeaux Group has been setting a distinctive standard for Pesach hospitality. As the group behind more than 20 kosher restaurants throughout the New York tri-state area and the creators of Pesach with Bordeaux and Guettaway, they bring a rich culinary legacy and a passion for unforgettable experiences.

At the heart of it are Shai and Miriam Guetta, whose personal touch, exceptional dining, and warm, vibrant atmosphere have made Guettaway an experience guests return to year after year.

More than exceptional food and hospitality, Guettaway is about a special community, familiar faces, unmistakable energy, and a Yom Tov atmosphere that feels both elevated and welcoming.

> **This Pesach, everything you love about Guettaway is coming to the Riviera Maya, on a scale never before imagined.**

Two extraordinary resorts. The legendary Waldorf Astoria and Park Hyatt, brought together to create an unprecedented luxury Pesach destination, featuring the world's first all-inclusive Park Hyatt experience.

The same signature hospitality. The same exceptional culinary standards. The same vibrant energy and distinctive crowd that have become synonymous with Guettaway.
