PAGE 01 · ABOUT CASA NIZUC

The kosher resort that has it all.

Five kosher dining destinations. A synagogue under our roof. Shabbat elevators, a full Shabbat service and every holiday celebrated in style. Welcome to Casa Nizuc, Cancún.

Casa Nizuc Resort & Spa is a Tribute Portfolio resort by Marriott, set inside Aldea Nizuc in the heart of Cancún's hotel zone, where the jungle meets the Caribbean.

It is also something Cancún has never had: the first hotel in Cancún where every food and beverage outlet is kosher certified. Not a kosher kitchen inside a hotel – a whole hotel built so that kosher families never have to compromise.

We built Casa Nizuc for the way you actually travel. You want a real steakhouse dinner and a dairy breakfast worth waking up for. You want a minyan in the building, an elevator that runs on Shabbat and a key that opens your door without a card.

You want to celebrate a wedding, a bar mitzvah or Pesach without bringing anything from home. It is all here, under one roof, every day of the year.

Shabbat, the way it should feel.

A real Shabbat by the Caribbean. Services, meals, kiddush and rest – all arranged, all on site, every week.

Most resorts tolerate Shabbat. Casa Nizuc was built for it. From candle lighting to Havdalah, everything you need is already in place: a synagogue in the building, Shabbat elevators, physical room keys and a kitchen that cooks for Shabbat the way your family does. You don't plan Shabbat here. You just keep it.

Friday to Motzei Shabbat

1. **Friday afternoon**
   Physical keys on request; Shabbat elevators start; meals reserved by Thursday.
2. **Candle lighting**
   A dedicated area in the lobby, candles provided.
3. **Kabbalat Shabbat & Maariv**
   In our on-site synagogue.
4. **Friday night dinner**
   Kiddush, fresh challah and a multi-course Shabbat menu.
5. **Shabbat morning**
   Shacharit, Torah reading and kiddush.
6. **Shabbat lunch**
   Cholent, kugels, salads – the dishes you grew up with.
7. **Seudah shlishit, Mincha & Maariv**
   A light third meal, then services as Shabbat ends.
8. **Motzei Shabbat**
   Havdalah – then the restaurants reopen for a late dinner.

What makes it a proper Shabbat

- **Shul in the building** – services are steps from your room.
- **Shabbat elevators** – stop automatically on every floor.
- **Physical keys** – no electronic key cards on Shabbat.
- **Shabbat food done right** – cooked before Shabbat, kept warm the halachic way, served by staff trained in Shabbat service.
- **Everything is kosher** – no need to ask which outlet is safe.
- **GKDE guests** – Shabbat meals are part of the experience; just reserve your table.

Five kosher destinations. One hotel.

From sunrise espresso to a steakhouse dinner 23 floors above the sea – every venue kosher, every day.

At Casa Nizuc you don't eat at "the kosher restaurant." You choose between five, each with its own kitchen, chef and personality. Meat is Glatt Kosher Beit Yosef. Dairy is Chalav Yisroel. Kosher wines are poured at every venue.

Your simcha. Our stage.

Weddings, bar and bat mitzvahs, sheva brachot and family celebrations – fully kosher, by the Caribbean.

Planning a kosher simcha abroad usually means flying in caterers, chasing a mashgiach and hoping the hotel understands. At Casa Nizuc, it is already done. Every kitchen is kosher, the synagogue is in the building and our events team knows the difference between a kabbalat panim and a cocktail hour. Bring your guests. We'll take care of the rest.

- **Weddings** – the rooftop wedding deck 245 ft above the Caribbean, or the ballroom for 300. Chuppah, kabbalat panim, badeken and a full kosher dinner.
- **Bar & bat mitzvahs** – an aliyah in our own synagogue, a kiddush by the sea and a party to remember.
- **Sheva brachot** – seven nights, seven settings: Āshān, Zait's Wine Cave, the rooftop, the beach.
- **Reunions, birthdays, corporate retreats** – 8,900+ sq ft of meeting space, kosher catering for every session.
